

大学院特別講義・グローバル COE 特別セミナー

NZ 若手研究者 来学発表会

日時：平成 22 年 7 月 15 日(木) 14:30～17:30

場所：静岡県立大学 小講堂

対象：大学院学生、学部学生、教職員

Dr. Alison Hodgkinson

Senior Scientist,
AgResearch Ltd.

- Functional foods
- Food allergy

Dr. Jolon Dyer

Team Leader,
AgResearch Ltd.

- Redox proteomics
- Protein chemistry

Dr. Wayne Eltringham

Senior Research Engineer,
Industrial Research Ltd.

- Supercritical fluid extraction
and fractionation

Dr. Arjan Scheepens

Senior Scientist,
Plant & Food Research Ltd.

- Functional foods for
cognition, stress and anxiety

Dr. Susie Meade

Research Programmes Leader,
University of Canterbury

- Biomolecular interactions
- Protein chemistry

Dr. Siew Young Quek

Senior Lecturer,
University of Auckland
Encapsulation of food
ingredients and bioactive
delivery system

Dr. David Bellows

Lecturer,
Victoria University of Wellington

- Yeast genetics
- Chemical biology

Dr. Robert Keyzers

Lecturer,
Victoria University of Wellington

- Natural products isolation
and structural elucidation

Dr. Nichola Harcourt

Postdoc,
University of Waikato

- Immunology
- Molecular pathways in
fibrinolysis

主催 静岡県立大学グローバル COE プログラム
